Grimex Mighty are truly massive wipes. The extremely strong, super absorbent material holds on to moisture and traps dirt as you wipe. They are the wipe you need for jobs that can get really messy and you and your equipment inevitably get filthy too. Have Grimex Mighty at hand when plastering; at end-of-day decorating clean ups; when refurbishing heavily soiled machines and equipment; if you're laying bricks, blocks and paving... Quite simply any time when a mighty big clean-up is necessary.
